Biblical Leadership

Leadership lives and dies by listening and understanding the needs of people. Women get this and are light years ahead of most men. We show people we care by asking questions. We develop relationships by remembering and building upon their answers. We lay this first building block of trust through our consistency.

Word of the Month

shâma - (Proverbs 18:13)

To listen in such a way that we not only understand, but we also act upon what we've heard. – Men, we need to implement shâma everywhere we go.

Men's Small Groups Forming

January of 2024 there will be multiple small groups forming that will meet weekly. Every Man a Warrior (EMAW) and Betterman will be two such groups kicking off the new year. EMAW is a discipleship based Bible study that "Helps Men Succeed in Life" and win the battles they fight every day. Think of it as a table of contents, concordance and glossary of the Bible. Betterman provides a clear definition of biblical masculinity that makes your marriage, parenting, work-life, relationships and everything in between better.
